Instructions and Checklist for J-2 Dependent Application

A dependent is a spouse or an unmarried child (under 21 years of age) who will be accompanying the J-1 Exchange Visitor (Trainee) to the US. The Certificate of Eligibility (DS-2019 Form) for a J-2 dependent only allows for the dependent to travel with the J-1 Exchange Visitor. As the primary J-1 Exchange Visitor, it is your responsibility to prove financial support for each J-2 dependent in the amount of \$750.00 USD per J-2, per month in the US.

In order to provide a DS-2019 for the J-2 dependent, CIEE requires the following:

- A complete biographical information section on each dependent (below). Please submit additional pages if you have more than two dependents.
- A copy of a valid passport for each dependent
- Proof of dependent status: marriage certificate for spouse; birth certificate for child
- Proof that each dependent has insurance coverage and a copy of the insurance policy
- Proof of financial support for each J-2 dependent in the amount of \$750 USD per dependent, per month
